DESCRIPTION

Practicing Anthropology is a career-oriented publication of the Society for Applied Anthropology. Its overall goals are: (1) to provide a vehicle of communication and source of career information for anthropologists working outside academia; (2) to encourage a bridge between practice inside and outside the university; (3) to explore the uses of anthropology in policy research and implementation; (4) to serve as a forum for inquiry into the present state and future of anthropology in general.

BACK ISSUES

All issues are available from Vol. 13, No. 1, Winter 1991. The price per issue is \$20.00 (plus shipping & handling). Address all inquiries to the Business Office. Allow six weeks for delivery.
