DESCRIPTION

Human Organization is a journal of the Society for Applied Anthropology. Its primary objective is the scientific investigation of the "principles controlling the relations of human beings to one another...and the wide application of these principles to practical problems." The journal regularly includes sections on government and industry, health and medical care, and international affairs. Articles report the application of concepts of social/behavioral science to issues and problems in the contemporary world.

BACK ISSUES

Volume 36, No. 1 (1977) to current issue with some exceptions. \$15.00 per issue, plus shipping & handling. Discounts allowed for orders of an entire volume and/or multiple copies of an issue. Please allow 6 weeks for delivery.
