First week of March**	Whova Onboarding Training

*Trainings will be recorded and uploaded to SfAA website for later viewing

**Member onboarding training will be provided one-on-one and for small groups as members request, this training will walk members through how to set up their attendee accounts and navigate Whova

Note: One-on-one and small group support/training will also be offered throughout February in order to help with specific presenter issues creating and uploading presentations or understanding Zoom and Whova capabilities
