

Training Program Exhibit

Society for Applied Anthropology 80th Annual Meeting, March 17-21
Hotel Albuquerque at Old Town, Albuquerque, NM
Exhibit Date: March 20, 2020 - Exhibit Time: 8:30-12:00pm

The Training Program Exhibit is a great chance to inform students and colleagues about graduate programs, internship opportunities, field schools, and organizations that work with applied social scientists. This exhibit will give you an opportunity to present your program to the more than 1,800 attendees. We expect considerable dialogue among the exhibitors regarding recruitment, exchange opportunities, and field research. The Exhibits will be centrally located where there will be heavy traffic. You might consider having currently enrolled students at the table as well as a faculty representative. Students profit from both perspectives.
